

Missio Dei

Statement zu These 1

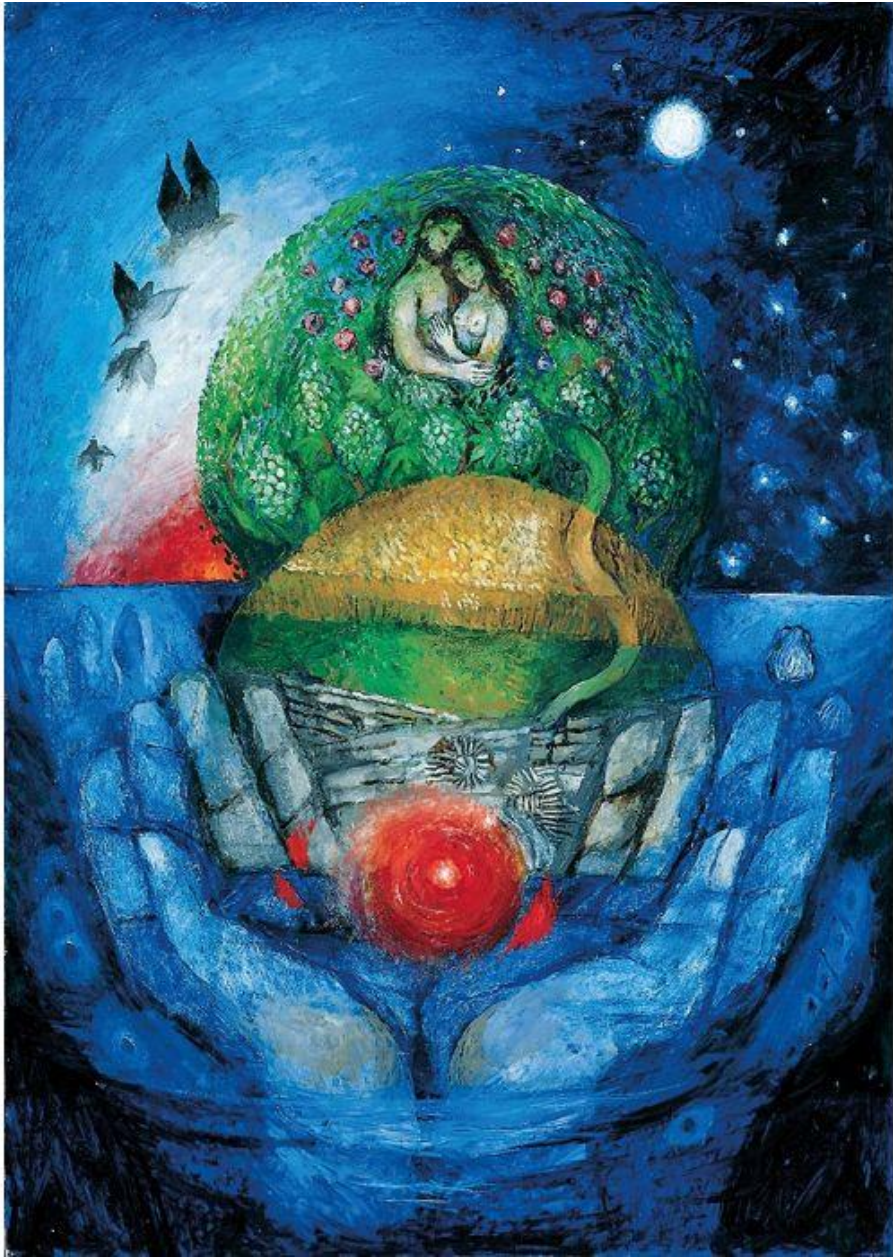

The trinitary move

Jesus Christ – third space between (re)creation and eschaton

Fullness of life for all creatures

Church as an instrument in God's mission – not its aim

God´s mission and the mission action of the Church

- enthusiasm – origin, reason and source of strength
- call to conversion - critical corrective
- challenge to self-transgression – mission-shaped church

„Now she is stable“

missio amoris Dei

Body language of the Body of Christ

Transformation in dialogue - Rediscovering the Gospel

"Let me learn about you,
your thinking and speaking,
your questioning
and being, so that by it I
may learn anew the
message I have to deliver
to you" (Klaus Hemmerle)

Mission means more than integration in church

Between Empowerment and powerlessness

Between Empowerment and powerlessness

Acting
embedded in
the requested,
hoped for and
unavailable
action of God

Mission as mimesis of Christ in the sign of his cross
